

# Grade 1 Recycled Paper Bin Monster

## Life Skills Grade 1 Visual Art PAPER BIN MONSTER/BUG

Material: Old newspapers. Wallpaper glue, masking tape, stapler, and paint (varnish -optional)

Method: Fold newspaper in two long rectangles. Fold over each other and bend to the top. Staple together to form a "bin" Cover edges with masking tape. Paste strips of newspaper in layers over the whole container. Make sure to cover all openings in and outside. Roll a newspaper to fit on the top and paste with masking tape. Cover with newspaper. Dry for a few days. If you want you can use one layer of toweling paper to strengthen it and make it white. It can now be decorated with paint (mix paint with some glue and paint on very thick.) Be creative and make your own monster! It can be varnished to make it stronger.
